## **LETTER FROM THE DIRECTOR**

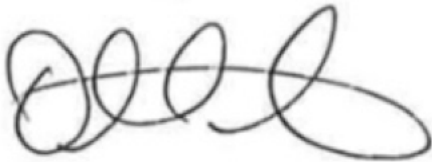

Hello hockey fans and welcome to Blaine, MN, and another exciting season of NAPHL & T1ER Hockey. This 2023-2024 Season, our 15th Season of T1ER hockey, promises to be another exciting one, as the schedule is jam packed with high-level competition. The T1ER is comprised of some of the top USA Hockey Tier 1 National Bound teams in the country and has more players currently playing in the NAHL than any other Tier 1 League. This event is strategically scheduled prior to the release of NAHL tenders and allows ALL 32 NAHL teams the chance to scout and get an early look on next season's crop of talent.

Running in conjunction with the T1ER event, is the FALL League Playoffs. The FALL League is comprised of NAHL branded organizations, and gives high school players primarily from Michigan, Minnesota, and Wisconsin the opportunity to compete and be exposed to the NAHL organizations, coaches, as well as the NAHL process, prior to the start of their high school seasons. We've had a great FALL season thus far and look forward to more of the same exciting action during the FALL League Playoffs.

As part of the exposure to the NAHL, and our teams, is our partnership with the Neutral Zone. The Neutral Zone is the premier scouting service in the hockey industry and adding them to our NAHL Family is a huge win for our participating teams, and organizations. We look forward to having them in attendance at this event to watch games and provide insightful scouting reports to our NAHL teams regarding the participating players.

Thank you again for attending, and good luck to all players, coaches, officials, and organizations!

Best,

Dennis Vickers  
Director of Player Personnel, NAHL  
Director, NAPHL

## **OUR HISTORY**

Celebrating its 15th season in 2023-24, the North American Prospects Hockey League is made up of three Leagues: T1ER League (Tier 1), SHOW League (Tier I/ II), and the FALL League.

The NAPHL has established itself as one of the premier grounds for development and exposure. The success of teams on the National stage, as well as the success of NAPHL players at the next levels of hockey, is further proof that the NAPHL is redefining exposure and has elevated itself to one of the premier training grounds for development and opportunity.

In the last three years, no other USA Hockey Midget Tier I league has had more players play in the North American Hockey League than the NAPHL

## TENDER SEASON ABOUT TO KICK OFF IN NAPHL

The 2023-24 North American Hockey League season is underway and throughout NAHL rosters, there are a plethora of former T1ER and FALL alums. As the NAHL is about to release their tenders for the 2024-25 season on November 1st, let's take a look at some of the names that were playing here at this time last year and are now on NAHL rosters.

**Grant Dietz, F, Maine Nordiques** - A year ago, Dietz was wearing a Maine Nordiques logo but it was with their T1ER program. After posting a total of 19 points in 10 games, the NAHL Nordiques signed Dietz to a tender for this season. He has not disappointed to start his junior career as he has scored twice and has six points in six contests.

**Justin Kerr, F, Lone Star Brahmas** - The forward from Cedar Rapids, Minnesota spent his 18U with the CarShield AAA program in the T1ER league. In 19 games played, he lit the lamp eight times and added 11 assists to give himself 19 points. His performance earned him a tender with the Lone Star Brahmas. In 10 games so far this season, the forward has found the back of the net three times and also contributed three assists to give him six points on the young season.

**Gavin Duckworth, F, El Paso Rhinos** - The Bedford, Texas native spent the last two seasons playing with the Biggby Coffee AAA posting 10 goals and 30 points in 49 games. He tendered with the El Paso Rhinos and now sees himself on the NAHL roster. He's played in five games this season, he has scored one goal and one assist so far.

**Grant Kohnen, F, Aberdeen Wings** - Almost a year ago to the day, forward Grant Kohnen was leading the 18U Chippewa Steel to a FALL League championship. In 12 total games in the FALL League, Kohnen was one of the top performers as he netted six goals and seven assists to give him 13 points. His play at this event in 2022 got him a tender with the Aberdeen Wings. He's appeared in seven games so far this season and he's got a goal and an assist.

**Nicholas Puricelli, F, Odessa Jackalopes** - Puricelli was one of the premier players for CarShield AAA last season with 11 goals and 20 points in 21 games. He signed his tender with the Odessa Jackalopes and has appeared in every game so far this year. He has logged a goal and an assist.

**Shane Kozlina, F, Maine Nordiques** - Kozlina played two seasons with the Esmark Stars organization, one at the 16U level and one at the 18U level. In 16U he notched 16 points in 25 games but got even better at the 18U level as he put up 22 goals and 40 points in just 32 games as a 17-year old. In his final year of youth hockey, he played for the Maine Nordiques where he continued to dominate. He notched 12 goals and 24 points in just 13 contests. He signed a tender with the NAHL Maine Nordiques and is off to a strong start. In 6 games this year, he has two goals and four points.

\*All stats as of October 4, 2023\*

Shane Kozlina spent three seasons in the T1ER, two with the Esmark Stars and one with the Maine Nordiques. He signed a tender with the NAHL Maine Nordiques as is enjoying a great start to the NAHL season

### 18U

The story through two events has been the Corpus Christi IceRays. They are perfect 8-0, scoring just over six goals per game and have allowed just 14. It's been a complete team effort for the IceRays but Cayden Monson has been leading the way. The Northfield, Minnesota native has eight points in just four games. Nathan Mach has been perfect in between the pipes with a 5-0 record through seven appearances and has given up just seven goals. The Fairbanks Ice Dogs sit in second place with a record of 6-2. They had a perfect second weekend as they've won four games in a row.

Leading the charge for them is one of the top performers in the league, Andrew Lindquist. He is tied for the league lead in goals with eight and is second in the league in points with 11. They also boast one of the top defensemen as Thomas Quast has three goals and nine points in eight games this season. Minnesota sits in third place after posting a record of 5-2-1. Wisconsin sits in fourth with a record of 5-3 as they come into the playoffs as another red hot team, they have won their last three games. They boast one of the best players in the FALL League as Michael Maillette leads the league with 13 points through eight games. He's netted seven goals which has him tied for second. Janesville, Kenai River and St. Cloud sit in fifth, sixth and seventh while Austin, Chippewa and Odessa round out the standings.

### 16U

Coming into the championship weekend, the Kenai River Brown Bears took first place after posting a record of 7-1. They were a perfect 7-0 before the final game of the Showcase a month ago. In second place, the Janesville Jets sit there with a record of 6-2. They possess the league's top offense, scoring 31 goals in through the first two events. Odessa and Chippewa are both 5-3 on the season with Fairbanks sitting in fifth place with a record of 4-4. Minnesota, Austin, Corpus Christi, Wisconsin and St. Cloud round out the rest of the FALL League standings.

Nathan Lando of the Wisconsin Windigo leads the age level with 12 points, six goals and six assists. Cody Sawyer also has 6 goals on the campaign, his four helpers give him 10 points, good for second in the league. The top blue liner also comes from the Windigo in the form of Josh Graves. He's got two goals and nine points this season so far. Neil Elsmore of Minnesota, Austin Gibson of Minnesota, Austin Gibson of Austin and Tate Swanson of Minnesota all have eight points and sit amongst the top five in 16U scorers. In the blue paint, Owen Debbert has been lights out. He's appeared in four games, winning them all while posting a 4-0 record to go with a goals against average of 1.25 and a save percentage of .944.

## **NAHLTV: The New Streaming Home of the NAHL Family of Leagues**

The North American Hockey League, along with their development partners in the NA3HL and NAPHL, have announced the details, packages, and pricing for the NAHLTV streaming platform, which is the exclusive home for all streaming content to all games played in the NAHL, NA3HL, and NAPHL beginning in the 2023-24 season.

Fans can go to [nahltv.com](http://nahltv.com) to create their free account and choose from one of three different types of plans, which includes pricing for pay-as-you-go per game viewing, a monthly plan, or a yearly plan.

To sign up and begin the process, fans first will register and create a free account at [nahltv.com](http://nahltv.com). In the main navigation menu (top right), select “Register” and complete the form.

- The Pay-as-you-go plan, which is \$14.99 per game, allows fans to buy access to watch a specific game live or on-demand. The game will be available to watch for 48 hours after purchase.
- The Basic monthly plan will cost \$29.99 and will include access to all NAHL, NA3HL, and NAPHL content live and on-demand for a full month.
- The Basic yearly plan is \$179.99 and will include access to all NAHL, NA3HL, and NAPHL content live and on-demand for the entire season. Online payments can be made by Visa, MasterCard or American Express.

NAHLTV is designed and supported for viewing on PC, MAC, Android phones and tablets, and iOS phones and tablets. NAHLTV is responsively designed and can be viewed on a variety of screen sizes. Fans may also cast to a TV using an Android device for Google Chromecast, or an Apple device for Apple TV. In order to view a video cast to a large screen TV, a minimum of 5Mbps download speed is recommended. In the near future, an NAHLTV app will be available on Roku, AppleTV, FireTV, and Chromecast for additional convenience.

The platform will include all live games and other exclusive content, which includes all pre-season, regular season, playoff, Showcase, Top Prospects, All-Star, and special event games in all three leagues. NAHLTV will also be the host of the 2024 NAHL and NA3HL Drafts.

“We’re excited to finally launch NAHLTV as the new and exclusive home of all streaming content,” said NAHL Commissioner and President Mark Frankenfeld. “We believe launching our own platform is an important next step and is so important to how we grow the NAHL brand and present NAHL content. NAHLTV is the perfect platform to showcase all of our great players to fans, families, and scouts.”

LEAGUE OF OPPORTUNITY

Currently in its 49th season, the North American Hockey League (NAHL) began as a small bus league in the Midwest during the 1975-76 season, and has grown into the largest and oldest USA Hockey-Certified junior hockey circuit with 32 teams representing some of the nation's best collegiate development programs. The NAHL's proven pathway for young adults between the ages of 16-20 stems from the commitment of the best owners, coaches and players in the country. It is the only USA Hockey-sanctioned Tier II junior league boasting teams in 20 states across the country.

Each season, hundreds of collegiate and professional scouts attend NAHL games and events, continuing the league's proven track record of moving players on to the next level. In 2023, a total of 380 NAHL players committed to play NCAA hockey, with 70% of those being Division I commitments. It also marked the seventh consecutive season with over 300 NCAA commitments.

Players that move on from the North American Hockey League have thrived at the next level. Of the 80+ players nominated for the Hobey Baker Award, 21 were NAHL alumni. In the last 10 years, 50 players have been selected in the NHL Draft and 57 alumni began the 2022-23 season on NHL rosters.

## THE LEAGUE OF OPPORTUNITY

# COMBINES

## ABOUT THE NAHL COMBINES

The goal of the NAHL Combines is to provide the aspiring hockey player the opportunity to take part in a one-of-a-kind experience that is designed to maximize exposure at grand-scale events that feature the genuine NAHL Experience. NAHL Combines are run by the professional staff of the North American Hockey League, and are carefully designed to provide **education, exposure, and experience** for prospects that strive to advance their hockey development at the junior hockey and college level.

- **EDUCATION** — players participate in seminars that discuss the NAHL junior hockey experience, the ladder of development, as well as, NCAA compliance seminars. Players learn about a variety of key aspects of their hockey future, including NCAA compliance and eligibility, recruiting processes and the correct path to college hockey, as well as an in-depth look at the three different tiers of junior hockey.
- **EXPOSURE** — players compete in front of NAHL and NA3HL Coaches and NA3HL Central Scouting as they begin to build key relationships with junior teams and coaches. With NAHL Try-out Camps and the NAHL Draft taking place from May through July, NAHL Combines are a perfect indicator to evaluate just how ready they are for the next step and receive valuable feedback.
- **EXPERIENCE** — players from all over North America and Europe will play multiple games against other NAHL and NCAA hockey prospects with team's coached by staff members from NAHL, NAHL Central Scouting, and NA3HL teams, providing a top notch, professional, and memorable experience.

The NAHL is the only USA Hockey-sanctioned Tier II Junior league boasting 32 teams from across North America. The NAHL prides itself on the social maturity and skill development of student-athletes ages 16-20 with aspirations of advancing to collegiate and/or professional hockey. Currently, more than 1,500 NAHL alumni play in the NCAA, and 50+ more play in the NHL.

## WHAT TAKES PLACE AT THE NAHL COMBINES

Players will be assigned to a team and receive a weekend schedule 24 hours prior to the combine. From there, each team will play four scrimmages as NAHL and NA3HL coaches work with the players behind the bench. The players' introduction to junior hockey will continue through educational seminars for both combine participants and their families.

- Junior hockey experience through four scrimmage games with coaching from NAHL and NA3HL staff members
- Participants are able to build a relationship with current NAHL & NA3HL Coaches and Scouts on the benches, and receive direct feedback during games
- In-person educational seminars about the junior hockey landscape, including:
  - o USA Hockey/NAHL partnership and the path to college hockey in the U.S. along the NAHL Ladder of Development
  - o Academic preparation and NCAA compliance seminars

## FINDING THE RIGHT NAHL COMBINE FOR YOU

The NAHL offers two different combines: A Junior Combine for junior-aged (2004-2008) players who are looking for scouting exposure to all NAHL and NA3HL teams. A Prospects Combine (2008-2010) for future Prospects of the NAHL.

## **T1ER League Sets New Standard of NAHL Exposure and Development**

Following the conclusion of the 2023 NAHL Draft, the North American Prospects Hockey League T1ER League has again set a new standard for advancement and exposure.

The T1ER is pleased to announce 20 current or former players were selected in the 2023 North American Hockey League (NAHL) Draft, which was held on Wednesday, June 14th.

In addition to the 20 players who were drafted, a record number of 75 players who played in the T1ER league during this past 2022-23 season signed NAHL tenders for the upcoming 2023-24 season.

In all, a total of 95 NAPHL T1ER players were either drafted or tendered by NAHL teams for the upcoming 2023-24 season, which is a new single-season record.

Founded in 2009 and entering its 15th season in 2023-24, the NAPHL T1ER League is the premier training ground for development, exposure, and opportunity. The success of teams on the national stage, as well as the success of T1ER players at the next levels of hockey, is further proof that the T1ER League is redefining exposure and has become the marquee place to play for elite level players, ages 13-18.

No other USA Hockey Youth Tier 1 League has had more players play in the NAHL over the course of the last six seasons than the T1ER, which included over 80+ alumni playing in the NAHL during the 2022-23 season. The T1ER primary mission is to provide development and exposure opportunities for players as they advance on the path to one day play high level junior and college hockey.

“The benefits of the NAHL’s ladder of development exposure model that is exclusive to the T1ER League continues to be the foundation of the player advancement success. NAHL teams are seeing these players multiple times throughout a season and their selections are based on in-person scouting by multiple staff members at events. No other youth league in USA Hockey has a model like it and these results are one of the byproducts of the system,” said NAHL Commissioner and President Mark Frankenfeld.

The T1ER is operated by the NAHL’s experienced staff and provides an organized and competitive experience guaranteed to benefit all the participating student-athletes. The T1ER is composed of regular season Showcase and Events leading up to its Championship Tournament in which the top teams at each age level compete for a league championship.

T1ER players are also continuously recognized on the league’s website and social media outlets, which receive millions of page views and social media engagements annually. This also includes broadcasts and play-by-play of every game, highlights from every game on social media, monthly and yearly award recognition, feature stories, and real-time statistics.

Members of the T1ER get the opportunity to attend some of the most dynamic and highly scouted events. Selected events take place during the same time as NAHL events, which usually feature every NCAA Division 1 and every NHL team along with dozens of junior scouts under one roof. No matter what age classification you compete, the T1ER provides the most dynamic vertical exposure structure designed specifically to educate, develop, expose and advance players.

## USA HOCKEY CERTIFIED AND DUAL ADVANCEMENT PATH

The 2023-24 North American Hockey League Recruiting Resource Guide provides prospective players and their families with a look into the NAHL's history, advancement success, strategic partnerships and the ladder of development within the USA Hockey landscape. We want everyone to come away with a better understanding of how the NAHL and its family of leagues can help the prospective players develop both on and off the ice in order to realize their hockey goals. The NAHL is the **ONLY** Tier II junior league within the USA Hockey landscape

The NAHL has established partnerships with USA Hockey and USHL in an effort to further strengthen and streamline the junior hockey landscape in the United States. The partnership reinforces the NAHL's common core commitment to develop players for the NCAA and NHL. When you combine the strength and resources of these strategic partnerships you get an unmatched investment into the advancement of the players entrusted to the NAHL.

**USA Hockey Ladder of Development**

The USHL and the NAHL have created policies that allow players to move back and forth between the leagues, under certain conditions, more freely. With advancement being a primary goal of both leagues, the opportunity for players to play in the best spot for their development at that time became very important. This partnership between the two leagues promotes the Ladder of Development in junior hockey and provides for greater developmental and advancement opportunities for players. The USHL is the **ONLY** Tier I junior league within the USA Hockey landscape.

USA Hockey and the North American Hockey League have announced an enhanced long-term partnership that will further improve the junior hockey development program in the United States. As part of the enhanced partnership, USA Hockey will provide additional resources to the NAHL to continue to improve all facets of the league, including player development, coaching, officiating and overall visibility.
