LETTER FROM THE DIRECTOR

Hello Hockey Fans – and welcome to Troy, MI, and the conclusion to what has been another exciting season of NAPHL & SHOW Hockey. This 2023-24 Season, was jam packed with high-level competition. The SHOW League is comprised of some of the top USA Hockey Tier 1 & Tier 2 teams in the country and strategically placed the three events in New England, Minnesota, and now Michigan to continue to promote our players and keep them moving up the NAHL and USA Hockey ladder of development.

This SHOW Playoff event is strategically scheduled as part of our new NA3HL tender release and has held required scouting events in Minnesota and here in Michigan. This Playoff event was designed to expose players, coaches, and scouts to NA3HL organizations, players, atmosphere, as well as the NAHL process.

We would like to thank you for participating in this season's SHOW League, and look forward to a great weekend of competition. Good luck to all players, coaches, officials, and organizations!

Best,
Dennis Vickers

What is a tender?

A tender is a contract, of sorts, a player signs announcing his intentions to play for the particular NAHL team and that NAHL team only. Once a player signs a tender with an NAHL team, his playing rights belong to that team within the NAHL and he may not be recruited by any other NAHL team. Each team is granted ten (10) tenders - plus or minus any trades - which became active on November 1, 2023. Tendered players are not eligible for the 2024 NAHL Draft.

T1ER League Sets New Standard of NAHL Exposure and Development

Following the conclusion of the 2023 NAHL Draft, the North American Prospects Hockey League T1ER League has again set a new standard for advancement and exposure.

The T1ER is pleased to announce 20 current or former players were selected in the 2023 North American Hockey League (NAHL) Draft, which was held on Wednesday, June 14th.

In addition to the 20 players who were drafted, a record number of 75 players who played in the T1ER league during this past 2022-23 season signed NAHL tenders for the upcoming 2023-24 season.

In all, a total of 95 NAPHL T1ER players were either drafted or tendered by NAHL teams for the upcoming 2023-24 season, which is a new single-season record.

Founded in 2009 and entering its 15th season in 2023-24, the NAPHL T1ER League is the premier training ground for development, exposure, and opportunity. The success of teams on the national stage, as well as the success of T1ER players at the next levels of hockey, is further proof that the T1ER League is redefining exposure and has become the marquee place to play for elite level players, ages 13-18.

No other USA Hockey Youth Tier 1 League has had more players play in the NAHL over the course of the last six seasons than the T1ER, which included over 80+ alumni playing in the NAHL during the 2022-23 season. The T1ER primary mission is to provide development and exposure opportunities for players as they advance on the path to one day play high level junior and college hockey.

“The benefits of the NAHL’s ladder of development exposure model that is exclusive to the T1ER League continues to be the foundation of the player advancement success. NAHL teams are seeing these players multiple times throughout a season and their selections are based on in-person scouting by multiple staff members at events. No other youth league in USA Hockey has a model like it and these results are one of the byproducts of the system,” said NAHL Commissioner and President Mark Frankenfeld.

The T1ER is operated by the NAHL’s experienced staff and provides an organized and competitive experience guaranteed to benefit all the participating student-athletes. The T1ER is composed of regular season Showcase and Events leading up to its Championship Tournament in which the top teams at each age level compete for a league championship.

T1ER players are also continuously recognized on the league’s website and social media outlets, which receive millions of page views and social media engagements annually. This also includes broadcasts and play-by-play of every game, highlights from every game on social media, monthly and yearly award recognition, feature stories, and real-time statistics.

Members of the T1ER get the opportunity to attend some of the most dynamic and highly scouted events. Selected events take place during the same time as NAHL events, which usually feature every NCAA Division 1 and every NHL team along with dozens of junior scouts under one roof. No matter what age classification you compete, the T1ER provides the most dynamic vertical exposure structure designed specifically to educate, develop, expose and advance players.

NAPHL ALUMS MAKE DIVISION I COMMITMENTS

Philippe Lalonde - Minot Minotauros

The Minot Minotauros of the North American Hockey League are proud to announce that forward **Philippe Lalonde** has committed to play NCAA Division I hockey at Dartmouth College. Lalonde will become the first Tauro alum to play for the Big Green.

Lalonde has been a Tauro for just a couple of weeks but has already had an impact with an assist on Friday in his first game with the team and a goal on Saturday as the Tauros swept the Austin Bruins.

Despite his short time in the Magic City, Tauros Head Coach/General Manager Cody Campbell helped Lalonde make his final decision. “Coach Campbell helped me make sure it was the right choice and gave me advice with going forward,” said Lalonde. “I like the program Dartmouth as a whole because of everything they have to offer there. Not only do they have incredible academics being an Ivy League school, but the hockey seems to be trending upwards with exciting years to come. The campus is awesome, and the people there make the place feel like a second home.”

Also despite just joining the Tauros line Lalonde has made an impression on Campbell who said, “Phil is a highly skilled and intelligent player. He is just scratching the surface of what he is capable of.” Campbell continued, “Dartmouth is a great fit for Phil academically and athletically as he will receive an Ivy League education while developing under a staff that wants all of their players to move on to high level pro hockey. We know Phil has only been here a short time but we are extremely excited for him and his family and look forward to continuing to help him prepare for his next steps in his career.”

Lalonde is an NAPHL grad, having played the 2021-22 season with the Shattuck-St. Mary’s 18U team, who were members of the NAPHL. He played in 15 total games that season and had two points.

As for the Ivy League education he will receive while there the Lalonde intends to study business and economics. Aside from class and hockey Lalonde intends to spend time watching Dartmouth’s football and soccer teams.

For players to reach their goal of playing DI hockey they of course need help and Lalonde was no different. “I would like to thank my parents Francois and Valerie, my two sisters Allie and Maddie, Coach Kevin Patrick, my advisor, and all of my friends who have supported me throughout this time,” said Lalonde.

Quentin Sigurdson - Odessa Jackalopes

The Odessa Jackalopes of the North American Hockey League are very proud to announce that former NAPHL and NA3HL goaltender **Quentin Sigurdson** has committed to play NCAA Division I hockey for Northeastern University in Hockey East.

“I am excited and honored to announce my commitment to play Division 1 hockey and further my education at Northeastern University! I would like to thank God, my family, friends, coaches, teammates, and everyone that has supported me along the way,” said Sigurdson.” The key to my growth this off-season was consistently putting in hard work and practicing with a purpose.”

Sigurdson, 20, is in his second season playing in the NAHL for the Jackalopes. The 6'1/165 lbs. native of Sartell, MN, has appeared in 15 games so far during the 2023-24 season, posting a 2.13 goals against average or .939 save percentage.

“We’re excited for Quentin to further his playing career at Northeastern. Northeastern is getting a goalie that continues to develop and continues to get better year after year,” said Scott Deur, the Head Coach of the Odessa Jackalopes.

During the 2022-23 season, Sigurdson played in 15 games for Odessa, posting a 5-5-2 record with a 2.85 goals against average and a .909 save percentage.

This off-season Sigurdson put in a lot of time and effort with Jacks Goalie Coach Colin Grubb. “I’m super excited for Quentin to commit to Northeastern and head to Hockey East, following in a guy called Connor Hellebuyck’s footsteps. He’s such a great person, his

mechanics are some of the best I’ve seen and he’s had to be patient but it’s paying off this season as he’s giving us a chance every night,” said Grubb.

Sigurdson is a ladder of development success story, having played both in the NAPHL and NA3HL. During the 2021-22 season, he played for the Granite City Lumberjacks in the NA3HL, appearing in 19 games and posting an impressive 18-1-0 record with a 1.47 goals against average and a .925 save percentage. He was named to the NA3HL All-Rookie Team that season.

During the 2020-21 season prior to playing high school hockey in Minnesota for Sartell-St. Stephen High, he played in the NAPHL’s Fall League for the Minnesota Magicians 18U team, playing in eight total games that season.

LEAGUE OF OPPORTUNITY

Currently in its 49th season, the North American Hockey League (NAHL) began as a small bus league in the Midwest during the 1975-76 season, and has grown into the largest and oldest USA Hockey-Certified junior hockey circuit with 32 teams representing some of the nation's best collegiate development programs. The NAHL's proven pathway for young adults between the ages of 16-20 stems from the commitment of the best owners, coaches and players in the country. It is the only USA Hockey-sanctioned Tier II junior league boasting teams in 20 states across the country.

Each season, hundreds of collegiate and professional scouts attend NAHL games and events, continuing the league's proven track record of moving players on to the next level. In 2023, a total of 380 NAHL players committed to play NCAA hockey, with 70% of those being Division I commitments. It also marked the seventh consecutive season with over 300 NCAA commitments.

Players that move on from the North American Hockey League have thrived at the next level. Of the 80+ players nominated for the Hobey Baker Award, 21 were NAHL alumni. In the last 10 years, 50 players have been selected in the NHL Draft and 57 alumni began the 2022-23 season on NHL rosters.

OUR HISTORY

Celebrating its 14th season in 2023-24, the North American 3 Hockey League (NA3HL), is the only USA Hockey-certified Tier III Junior league. The NA3HL serves as one of the top training grounds in the country by providing the best coaching, exposure and developmental vehicles available for student-athletes in its classification, boasting 34 teams in 16 states across America.

The primary mission of the NA3HL, which is managed organizationally by the NAHL, is to provide a structured developmental environment for student-athletes whose youth options are limited but are still reaching their potential and aspire to play in the NAHL or United States Hockey League (USHL) and eventually the NCAA or American Collegiate Hockey Association (ACHA).

The NA3HL hosts three league events each season including the NA3HL Showcase, the NA3HL Top Prospects Tournament, and the Fraser Cup which attract hundreds of scouts annually. Certified scouts evaluate and promote NA3HL players to NAHL and NCAA coaches throughout the year. Players can also advance through an exclusive NAHL tendering system available only to NA3HL players. The league is also committed to player safety, employing a full-time department to player safety and officiating.

An infographic titled "2023 DUAL ADVANCEMENT PATH" set against a red background with a grid pattern. It features three hockey players: Matt Allen, Ben Anderson, and Carsen Stokes. The statistics are presented in black boxes with white and red text: "60+ ALUMNI PLAYED IN THE NAHL", "35 PLAYERS SIGNED NAHL TENDERS", and "28 PLAYERS SELECTED IN THE NAHL DRAFT" on the left; the NAHL logo above the first two; "140+ NCAA COMMITMENTS IN 2023" on the right; and the NCAA logo above it. The NA3HL logo is in the center. The text "2023 DUAL ADVANCEMENT PATH" is prominently displayed in the middle.

DUAL ADVANCEMENT PATH

No other league has had more movement and advanced more players onto play in the NAHL than the NA3HL. Thanks to additional and enhanced initiatives that have been in place for the past few years in cooperation with the NAHL, more players from the NA3HL play, practice, and earn NCAA Division I scholarships with the NAHL than any other league. The NA3HL also continues to make its mark and is one of the leaders in junior hockey with the advancement of players onto the NCAA. In 2023, the NA3HL had over 140+ college commitments, with over half of those being NCAA commitments. In addition, over 300 former NA3HL players are currently playing in the NCAA, and 28 former NA3HL are currently playing NCAA Division I hockey.

The NA3HL not only saw 63 of its players tendered or drafted by NAHL teams, but over 60+ NA3HL alumni played in the NAHL this past season. The NA3HL also saw 10 current or former players make NCAA Division I commitments this past season. The NA3HL is the only USA Hockey-certified Tier III junior hockey league and the only league that has an exclusive NAHL tendering system available only to NA3HL players. The tendering and draft pick process selections play a big part in the eventual advancement of players each season.

As part of the enhanced initiatives that have now been in place for multiple seasons, all NAHL teams engaged and worked in cooperation with NA3HL teams for increased access to players, including allowing NA3HL players to practice with NAHL teams during the season. The program created additional dialogue between NAHL and NA3HL teams to find prospects and provide them an in-season opportunity for NAHL experience and evaluation. Its direct benefits are resulted in one-of-a-kind opportunities not found anywhere else in USA Hockey-sanctioned junior hockey.

COMBINES

ABOUT THE NAHL COMBINES

The goal of the NAHL Combines is to provide the aspiring hockey player the opportunity to take part in a one-of-a-kind experience that is designed to maximize exposure at grand-scale events that feature the genuine NAHL Experience. NAHL Combines are run by the professional staff of the North American Hockey League, and are carefully designed to provide **education, exposure, and experience** for prospects that strive to advance their hockey development at the junior hockey and college level.

- **EDUCATION** — players participate in seminars that discuss the NAHL junior hockey experience, the ladder of development, as well as, NCAA compliance seminars. Players learn about a variety of key aspects of their hockey future, including NCAA compliance and eligibility, recruiting processes and the correct path to college hockey, as well as an in-depth look at the three different tiers of junior hockey.
- **EXPOSURE** — players compete in front of NAHL and NA3HL Coaches and NA3HL Central Scouting as they begin to build key relationships with junior teams and coaches. With NAHL Try-out Camps and the NAHL Draft taking place from May through July, NAHL Combines are a perfect indicator to evaluate just how ready they are for the next step and receive valuable feedback.
- **EXPERIENCE** — players from all over North America and Europe will play multiple games against other NAHL and NCAA hockey prospects with team's coached by staff members from NAHL, NAHL Central Scouting, and NA3HL teams, providing a top notch, professional, and memorable experience.

WHAT TAKES PLACE AT THE NAHL COMBINES

Players will be assigned to a team and receive a weekend schedule 24 hours prior to the combine. From there, each team will play four scrimmages as NAHL and NA3HL coaches work with the players behind the bench. The players' introduction to junior hockey will continue through educational seminars for both combine participants and their families.

- Junior hockey experience through four scrimmage games with coaching from NAHL and NA3HL staff members
- Participants are able to build a relationship with current NAHL & NA3HL Coaches and Scouts on the benches, and receive direct feedback during games
- In-person educational seminars about the junior hockey landscape, including:
 - o USA Hockey/NAHL partnership and the path to college hockey in the U.S. along the NAHL Ladder of Development
 - o Academic preparation and NCAA compliance seminars

The NAHL offers two different combines: A Junior Combine for junior-aged (2004-2008) players who are looking for scouting exposure to all NAHL and NA3HL teams. A Prospects Combine (2008-2010) for future Prospects of the NAHL.
